

Passos para a instalação do simulador Cisco Packet Tracer

Acessar:

<https://www.netacad.com/pt-br/courses/packet-tracer>

The screenshot shows a web browser window with two tabs: "Cisco Packet Tracer - Networking" and "Cisco Skills For All". The address bar shows the URL "netacad.com/pt-br/courses/packet-tracer". The browser's toolbar includes various icons for apps, favorites, and search engines. The page header features the Cisco Academy logo and navigation links for "Cursos", "Carreira", "Suporte", and "Mais". A search bar and language selector (set to "Português") are also present. The main content area is titled "Courses / Cisco Packet Tracer" and features a large blue banner. On the left side of the banner, the text reads: "Cisco Packet Tracer", "Adquira habilidades reais com nossa poderosa ferramenta de simulação de rede, na qual você pratica habilidades de rede, IoT e segurança cibernética em um laboratório virtual - sem necessidade de hardware!", and "Baixe o Packet Tracer ao se inscrever em um dos três cursos individualizados do Packet Tracer." Below this text is a button labeled "Ver cursos", which is highlighted with a red dashed border. On the right side of the banner, there is a graphic with the text "Cisco Packet Tracer" inside a circle, surrounded by network icons like routers and switches connected by lines.

Passos para a instalação do simulador Cisco Packet Tracer

Ao clicar em “Ver Cursos”, aparecerá uma tela pop-up e, nesta tela, clicar em “Skills for All”, caso já não abra uma aba do *Skills for All*.

The screenshot shows a web browser window with two tabs: "Cisco Packet Tracer - Networking" and "Cisco Skills For All". The address bar shows the URL "netacad.com/pt-br/courses/packet-tracer". The page content includes the Cisco Academy logo, the title "Courses / Cisco Packet Tracer", and a large heading "Cisco Pack". Below this, there is text about acquiring real skills and a button labeled "Ver cursos" which is highlighted with a red dashed box. A pop-up window is displayed in the center, featuring a photo of a young man and the text "Skills for All with Cisco". The pop-up contains the following text: "Este curso foi aprimorado e está disponível em um novo site. Agora, mais atraente e eficiente para você." and "Você será redirecionado para o site do Skills For All with Cisco. Uma vez lá, inscreva-se em um curso Cisco Packet Tracer para baixar o software e começar." At the bottom of the pop-up, it says "Se a janela não abrir, selecione este link:" followed by a button labeled "Skills For All" which is also highlighted with a red dashed box. The browser's taskbar at the bottom shows various application icons and the system clock indicating 17:20 on Thursday, 14/09/2022.

Cisco Packet Tracer

Practice networking, IoT, and cybersecurity skills virtually with Cisco Packet Tracer, our powerful simulation and visualization tool. To download the latest version, enroll in our short Getting Started with Cisco Packet Tracer course today.

LANGUAGES AVAILABLE

Português

Practice Real Skills. Virtually.

Deepen your understanding of how a network works, and step into the virtual lab to build your own! With Cisco Packet Tracer, you can watch how data travels across your network using Simulation Mode, or practice setting up your own device rack and cables in Physical Mode. Once you are ready, expand your simulations to analyze network traffic, add Internet of Things (IoT) devices, integrate Python code, or practice network automation skills. New to networking? No problem. Cisco Packet Tracer enables a suite of tutored activities that give you hints along the way, if you want them. Packet Tracer Tutored Activities are currently available for select courses.

Passos para a instalação do simulador Cisco Packet Tracer

Na aba *Skills for All*, faça a rolagem para baixo até encontrar os cursos “free” disponíveis (gratuitos). Entre no curso “Começando com o Cisco Packet Tracer” que possui 2 horas de realização.

The screenshot shows the Cisco Skills For All website with three course cards. The first card, 'Começando com o Cisco Packet Tracer', is highlighted with a red dashed box. It is a 2-hour free course in English and Spanish. The other two cards are 'Exploring Networking with Cisco Packet Tracer' (3 hours, free, English) and 'Exploring Internet of Things with Cisco Packet Tracer' (3 hours, free, English). The URL bar shows the course page for 'Começando com o Cisco Packet Tracer'.
